

Inclusive Child Care

MANY WAYS
TO SUPPORT

Universal Capacity Building for Educators

- Observing strengths and areas for growth
- Support educator goal setting and practicing of new skills
- Coaching and monitoring change
- Professional learning

Targeted Supports for Children and Educators

- Educator and/or room specific goals
- Professional learning to fit with learning goals
- Coordinate access to additional supports (e.g. SLP, OT, or Behavior to support well being and engagement)

Individualized Navigational Supports

- Supporting Directors with family engagement and collaborative planning
- Navigation Supports for:
 - Child Referrals
 - FSCD (Aide in Daycare)
 - Alberta Health Services
